CUBAN REFUGEE

Sir:

The following report regarding SUBJECT, a desired witness by JIM GARRISON, District Attorney of New Orleans, is submitted for your information.

Patrolman L.R. Curtis, 1051, Radio Patrol Division, assigned to Patrol District 57 called the office of the Criminal Intelligence Section the night of March 9, 1967 to report that he had been dispatched at 9:27 to the address of 10754B Lake Gardens Drive to answer a Prowler Call. Upon arrival at this address he was met by the complainant MR. E.E. JESMER, DA7-5714, Assistant Manager of the Lake Garden Apartments. MR. JESMER told Patrolman Curtis that a suspicious person had come to his apartment seeking an address of SUBJECT.

MR. JESMER described this suspicious person as having a pronounced yankee accent, about thirty years old, white male, five foot, seven inches tall, weighed around 200# with ruddy complexion. This person had short flat top hair cut, the hair being brown and was wearing a white dress shirt with a tie, a tan corduroy coat and black shoes with torn open tops where you could see his toes. He was a very unkempt person, filthy.

MR. JESMER stated that this person asked for the address of SUBJECT and he declined to furnish this information, advising the person to contact the apartment business office on the morning of March 10, 1967.

It was learned that the man described above had already been to the apartment of Mrs. Bobbie Crawford, 10746 Lake Gardens Drive, Apartment B, making the same inquiries. Mrs. Crawford was unable to furnish any information and the man asked if he could write the subject a letter and leave it with her and further asked that she give it to SUBJECT. The man did write a letter to subject, a copy of which is attached as enclosure 1.
